

TERMS OF SERVICE

Updated: March 8, 2022

1. Project Overview

The following terms and conditions constitute a legally binding agreement (together with any terms and conditions incorporated herein by reference, this “Agreement” or the “Terms”) between you (referred to herein as “you”, “your”, or “user”) and Lil Heroes World, LLC (“Lil’ Heroes”, “we”, “us”, or “our”), governing your interaction with the Lil’ Heroes NFT (as defined below) collection and the Site. By entering into this Agreement, participating in the minting, purchasing, or sale of a Lil’ Heroes NFT (either directly from us or on resale), using our Site, participating in the Lil’ Heroes Discord server, participating in Training Camp, and/or otherwise participating in the Project (as such term is defined below), you expressly acknowledge that you understand this Agreement and accept all of its terms. If you do not agree to the terms set forth in this Agreement, you must not use our Site or participate in the Project.

BY ACCESSING OR USING ANY PART OF THE SITE OR ENGAGING WITH THE PROJECT, YOU AGREE THAT YOU HAVE READ, UNDERSTOOD AND AGREED TO BE BOUND BY THESE TERMS, WHICH CONTAIN A TERMS OF SALE AGREEMENT, AN ARBITRATION AGREEMENT, A WAIVER OF CLASS-ACTION RIGHTS, AND LIABILITY LIMITATIONS.

The Lil’ Heroes NFT Project consists of the collection of Lil’ Heroes NFTs and Lil’ Villain NFTs (each, a “Lil’ Heroes NFT”), running on the Ethereum network, named on the Site (now or in the future).

If you have any questions about these Terms, please contact us by email at info@lilheroes.io. If you access any Lil’ Heroes Site on a social media platform (*e.g.*, Facebook, Twitter, Discord, or Instagram), you also consent to and agree to abide by the terms and conditions of that social media platform.

2. Our NFT Drop.

(a) The Lil’ Heroes NFTs are minted through a smart contract deployed on the Ethereum Blockchain. A blockchain is a distributed digital ledger of transactions maintained by a distributed peer-to-peer computer network that cryptographically validates transactions and records such transactions on the ledger. The Lil’ Heroes NFTs are recorded on the Ethereum Blockchain, and we use smart contracts to allow you to buy, claim, sell, send and receive Lil’ Heroes NFTs. You acknowledge and agree that certain information, including your cryptocurrency wallet address and the transactions you conduct through that cryptocurrency wallet address, may be publicly available and viewable on the Ethereum Blockchain. Your Lil’ Heroes NFTs can be transferred on the Ethereum Blockchain (or another blockchain as technology permits) from one cryptocurrency wallet address to another cryptocurrency wallet address.

(b) At selected times determined by us, we will make Lil' Heroes NFTs available for purchase or claim through our Site. The price for each Lil' Heroes NFT will be designated in ETH, in our sole and absolute discretion. We cannot, and expressly do not, guarantee that Lil' Heroes NFTs will be available for purchase or claim at the time you seek to purchase or claim one. We expressly reserve the right to modify the types, prices and number of Lil' Heroes NFTs available at our sole and absolute discretion at any time and from time to time. You further acknowledge and agree that we may, in our sole discretion, block Lil' Heroes NFT sales and resales until the general sale and associated mintings are complete. If you are unable to resell a newly minted Lil' Heroes NFT, please wait until the completion of the general sale and try again.

(c) Lil' Heroes NFTs are minted directly into the cryptocurrency wallet you have connected to our Site and through which you made your payment in ETH. We never hold custody nor take ownership or possession of your Lil' Heroes NFT. You acknowledge and agree that if you decide to purchase a Lil' Heroes NFT outside of our Site, such purchases will be entirely at your sole risk.

(d) You are responsible for ensuring your cryptocurrency wallet address has a sufficient amount of the ETH to cover your purchase as well as any Gas Fees.

(e) You are permitted to sell, trade, transfer, or distribute your Lil' Heroes NFT on any smart contract enabled secondary marketplaces, platforms and exchanges operated by third parties where users can sell, purchase, transfer, list for auction and bid on NFTs ("Secondary Marketplaces"). Note that Lil' Heroes NFTs may not be compatible with all Secondary Marketplaces, and we make no guarantee about the availability or functionality of any Secondary Marketplace.

(f) This Agreement only relates to your use of the Site and the Project, and does not relate to any other website or Internet-based services, including, but not limited to, Secondary Marketplaces or other websites or browser extensions to which the Site may link (collectively, "Third-Party Sites"). References or links to any Third-Party Sites are provided for your convenience and information only, for example, to make it convenient for you to trade your Lil' Heroes NFT. Such links should not be interpreted as endorsements by us of any Third-Party Site. When you click such link, we may not warn you that you have left our Site and are subject to the terms and conditions and privacy policies of a Third-Party Site. We are not responsible or liable, directly or indirectly, for any damage or loss caused or alleged to be caused by or in connection with your use of or reliance on any content, advertising, products, services, information or other materials on Third-Party Sites.

(g) You acknowledge and agree that we are not a party to any agreement or transaction where you trade on any Secondary Marketplace a Lil' Heroes NFT which was initially purchased via our Site, whether or not a commission or fee is received by us as a consequence of the transaction. We are not liable for any loss incurred by you in connection with any transaction that takes place on Secondary Marketplaces or on any other third-party sites or services.

(h) We may provide experiences on social media platforms that enable online sharing and collaboration among users who have registered to use them. Any content you post is subject to the terms of use and privacy policies of those platforms and related services. We have no control over such social media platforms or related services.

(i) Every transaction on the Ethereum Blockchain requires the payment of a transaction fee known as a “Gas Fee”. This means that you are required to pay a Gas Fee for each purchase of a Lil’ Heroes NFT via the Site. If you seek to transfer your Lil’ Heroes NFT via a secondary marketplace you may also incur Gas Fees or other transaction costs. Gas Fees are paid to the network of computers that operate the Ethereum blockchain and are not paid to Lil’ Heroes. Note that Gas Fees often fluctuate based on a number of factors that are entirely out of our control.

(j) You are solely responsible for determining and paying (or reimbursing for the payment of) any and all sales, use, value-added and other taxes, duties, and assessments (excluding taxes imposed on our net income) now or hereafter claimed or imposed by any tax or other Governmental Authority associated with your use of our website (collectively, the “Taxes”). You will pay or reimburse us for all Taxes of any jurisdiction (whether national, federal, state, local, foreign or other), including value added taxes and taxes as required by international tax treaties, customs or other import or export taxes, and amounts levied in lieu thereof based on charges set, services performed or payments made hereunder, as are now or hereafter may be imposed under the authority of any national, federal, state, local, foreign or other taxing jurisdiction; and will not be entitled to deduct the amount of any such Taxes or amounts levied in lieu thereof from payments (including, without limitation, Gas Fees) made to us pursuant to this Agreement.

(k) If you sell your Lil’ Heroes NFT via a secondary marketplace, such transaction is subject to a transaction fee determined by us, in our sole discretion (a “Transaction Fee”) which Transaction Fee may be automatically deducted from the sale proceeds you receive for your Lil’ Heroes NFT. All Transaction Fees are applied to the final sale price of the Lil’ Heroes NFT and are collected and distributed to us at the time of sale through smart contracts on the Ethereum Blockchain.

(l) The Site may contain a description of anticipated future milestones for the Project (the “Roadmap”). We will endeavor to implement the milestones listed in the Roadmap in accordance with the corresponding dates. However, the Roadmap is merely suggestive and there are no guarantees that all milestones listed in the Roadmap will be fulfilled, nor are there any guarantees that such milestones will be accomplished by the indicated dates. We may delay, defer, or choose not to implement certain milestones on the Roadmap, in our sole and absolute discretion and without any recourse to you. You recognize that the Project remains in “beta” and the blockchain industry and regulatory landscape is unsettled and constantly evolving and that certain milestones may become unfeasible or undesirable to implement.

(m) Lil’ Heroes NFTs are meant to be fun pieces of art for you to collect. When you purchase a Lil’ Heroes NFT, you agree that your purchase of the Lil’ Heroes NFT is all you are guaranteed to receive in exchange for your funds. Whether through primary or secondary channels, the art is what you receive. Lil’ Heroes NFTs are not meant as investment vehicles. We make absolutely no promise or guarantee that Lil’ Heroes NFTs will be worth anything more than what

you and the market deem the art to be worth. This could very well be zero. You understand that Lil' Heroes NFTs have no inherent monetary value, and they should be treated as nothing more than a collectible with potential future value or lack thereof. Any future benefits are ancillary to this purchase and not to be taken into consideration with your initial purchase. You agree that you are not relying on any future commitments by us.

(n) You have the opportunity to earn points ("Points"), badges ("Badges"), and rewards ("Rewards") by enrolling your Lil' Heroes NFTs in our Training Camp program ("Training Camp"). By accessing the Training Camp, you further agree to the Training Camp Terms and Conditions.

3. Content.

(a) Intellectual Property Rights. By using our Site and participating in the Project, you expressly acknowledge and agree that the Lil' Heroes NFTs and all content, photographs, computer code, smart contract code, sound or videos, media, images, formulas, graphics, webinars, training materials, products, services and/or other information and materials, and selection and arrangements associated with the Project and/or located on our Site is copyrighted work under the United States and other copyright laws, and is the property of or licensed by Lil' Heroes, made available on our Site or any information, materials, and content transferred via a downloadable file or link by us or other third parties (the "Content"). All trademarks, service marks, and trade names (collectively, the "Marks") are trademarks or registered trademarks of and are proprietary to Lil' Heroes or other respective owners that have granted Lil' Heroes the right to use such Marks. We reserve all rights that are not specifically granted to users.

(b) No Refunds. All purchases of Lil' Heroes NFTs, as well as any associated charges, are non-refundable. This no-refund policy shall apply at all times regardless of your decision to terminate usage of the Lil' Heroes NFT, any disruption to the operations of any components of the Lil' Heroes NFT, or any other reason whatsoever.

(c) Personal Use License Only: Subject to your continued compliance with these Terms, we grant you a limited, worldwide, royalty-free, non-exclusive license (without the right to assign or sublicense) to use, copy, and display your Lil' Heroes NFT, along with any extensions that you choose to create or use, solely for the following purposes: (i) for your own personal, non-commercial use; (ii) as part of a marketplace that permits the purchase and sale of your Lil' Heroes NFT, provided that the marketplace cryptographically verifies each Lil' Heroes NFT's owner's rights to display the Art for their Lil' Heroes NFT to ensure that only the actual owner can display the Art; or (iii) as part of a third-party website or application that permits the inclusion, involvement, or participation of your Lil' Heroes NFT, provided that the website/application cryptographically verifies each Lil' Heroes NFT's owner's rights to display the Art, and provided that the Art is no longer visible once the owner of the Lil' Heroes NFT leaves the Site/application. Nothing in this Agreement shall be interpreted as granting any license of intellectual property rights to you other than as explicitly set forth herein. YOU EXPRESSLY ACKNOWLEDGE THAT YOU HAVE NOT RECEIVED, NOR ARE YOU ENTITLED TO, ANY RIGHT, INTEREST AND/OR BENEFIT RELATED TO THE UNDERLYING WORK OF ART EMBEDDED IN ANY LIL' HEROES NFT (INCLUDING BUT NOT LIMITED TO THE

COLORS, FLOURISHES, FONTS, IMAGES, LOGOS, AND ANY OTHER INDIVIDUAL OR COMBINED TRAIT OR ELEMENTS), INCLUDING, WITHOUT LIMITATION, ANY RIGHTS TO REPRODUCE, OR TRANSFORM SUCH ART IN QUESTION. YOU MAY NOT USE A LIL' HEROES NFT FOR ANY COMMERCIAL PURPOSE

(e) The license granted to you hereunder shall automatically terminate and all rights shall return to Lil' Heroes if: (i) at any time you sell, trade, donate, give away, transfer, burn, or otherwise dispose of your Lil' Heroes NFT for any reason; (ii) you breach any of the Agreement and conditions; (iii) You have a trustee, receiver or similar party appointed for your property, become insolvent, acknowledge Your insolvency in any manner, make an assignment for the benefit of your creditors, or file a petition of bankruptcy; (iv) you engage in any unlawful business practice related to the Lil' Heroes NFT; (iv) you initiate any legal actions against the Lil' Heroes NFT Project and/or its members, officers, directors, affiliates, agents, attorneys and employees.

(f) Lil' Heroes IP. Other than the rights to the Lil' Heroes NFT, nothing herein gives you any rights to any other trademarks or other intellectual property rights belonging to Lil' Heroes including, without limitation, the Lil' Heroes NFT Project name and mark, and the associated logos. All of these rights are expressly reserved in the name of the Lil' Heroes NFT Project. Nothing herein shall restrict our right to use, copy, and display any individual Lil' Heroes NFT for our own uses. If you wish to discuss with us a license for use of the Lil' Heroes IP, you may contact us at info@lilheroes.io.

(g) Feedback. You may choose to submit comments, bug reports, ideas or other feedback about the Site or the Lil' Heroes NFT project, including, without limitation, about how to improve the Site (collectively, "Feedback"). By submitting any Feedback, you agree that we are free to use such Feedback in any way we choose without additional compensation to you and you hereby grant us a perpetual, irrevocable, nonexclusive, worldwide license to incorporate and use the Feedback for any purpose. You shall not, under any circumstances or for any reason, modify, publish, transmit, participate in the transfer or sale of, reproduce, create derivative works of, distribute, publicly perform, publicly display, or in any way exploit any of the materials or Content in whole or in part, without our express prior written consent, which consent may be granted, withheld, conditioned and/or delayed in our sole and absolute discretion. Modification of the Content or use of the Content for any other purpose is a violation of the copyright and other proprietary rights of Lil' Heroes, as well as other authors who created the materials, and may be subject to monetary damages and penalties.

(h) Third-Party Content. Our Site contains content that we create and may also include content provided by third parties. We do not monitor, we do not endorse, and we are not liable for any third-party content. 7. Assumption of Risk.

(a) Please be aware that prices of NFTs are extremely volatile and fluctuations in the prices of other NFTs and/or cryptocurrencies may impact the price of your NFT. NFTs have no extrinsic value and should NOT be considered an investment. Ethereum-based NFTs may become worthless or obsolete. We cannot guarantee that any purchasers of Lil' Heroes NFTs will retain their original value, as their value is inherently subjective and factors occurring outside of the Site may materially impact the value and desirability of any particular NFT.

(b) By purchasing, holding and using a Lil' Heroes NFT, you expressly acknowledge and assume all risks associated therewith including, but not limited to: (i) forgotten passwords; (ii) inability to access or use your digital wallet for any reason; (iii) mistyped addresses or improperly constructed instructions when transmitting or receiving Lil' Heroes NFTs or any cryptocurrency;

(iv) errors in the smart contract that mints Lil' Heroes NFTs; (v) errors in the Lil' Heroes NFTs; (vi) errors in our Site; (vii) inability to access or transfer a Lil' Heroes NFT; (viii) inability to use, access, copy, or display any Content; (ix) blockchain malfunctions or other technical errors; (x) server failure or data loss; (xi) telecommunications failures; (xii) unfavorable regulatory determinations or actions (including with respect to NFTs or cryptocurrencies in general); (xiii) taxation of NFTs or cryptocurrencies; (xiv) uninsured losses; (xv) unanticipated risks; (xvi) volatility risks in the value of Lil' Heroes NFTs and cryptocurrencies; (xvii) cybersecurity attacks; (xviii) weaknesses in Lil' Heroes' security; (xix) personal information disclosure; (xx) unauthorized access to applications; and/or (xxi) unauthorized third-party activities, including, without limitation, the introduction of viruses or other malicious code; and the use of phishing, sybil attacks, 51% attacks, bruteforcing, changes to the protocol rules of the Ethereum Blockchain (*i.e.*, "forks"), or other means of attack that affect, in any way, the NFTs or the Content. If you have any questions regarding these risks, please contact us at info@lilheroes.io.

(c) Any payments made to us via the Site will be effectuated through the Ethereum Blockchain. We have no control over these payments or transactions, nor do we have the ability to reverse any payments or transactions on the Ethereum Blockchain. You acknowledge that Lil' Heroes has no liability to you or to any third party for any claims or damages that may arise as a result of your payment not reaching us, including, but not limited to, instances where your payment was not properly processed on the Ethereum Blockchain. It is solely your responsibility to confirm that your payment for a Lil' Heroes NFT has been accepted. We do not provide refunds for any purchases that you might make on or through the Site. This no-refund policy shall apply at all times regardless of your decision to terminate usage of any Lil' Heroes NFT purchased through our Site, any disruption to the operations of any components of the NFT, or any other reason whatsoever. By your continued use of our Site, you expressly release us, and any of our Affiliates, from any and all liability or responsibility for any purchases made by you, or by someone acting on your behalf, with respect to your Lil' Heroes NFT(s).

(d) Nothing on this Site, and nothing pertaining to your participation in the Project, is intended to be an offering of securities in any jurisdiction nor does it constitute an offer to purchase shares, securities, or other financial products. It remains your sole responsibility to assure that the purchase of a Lil' Heroes NFT is in compliance with laws and regulations in your jurisdiction.

(e) You assume all risks associated with using an Internet-based currency, including, but not limited to, the risk of hardware, software and Internet connections, the risk of malicious software introduction, and the risk that third parties may obtain unauthorized access to information stored within your wallet.

(f) NFTs, cryptocurrencies and blockchain technology are relatively new and the regulatory landscape is unsettled. New regulations could negatively impact such technologies impacting the value of your Lil' Heroes NFT. You understand and accept all risk in that regard, and further understand that we bear no responsibility to notify you of any changes with respect to the regulatory landscape of NFTs, cryptocurrencies and/or blockchain technology.

(g) Lil' Heroes is not responsible for any transaction between you and a third party (including, but not limited to, Third-Party Site or Secondary Marketplaces) and shall have no liability in connection with any such transaction.

(h) You assume all risk for any disruptions or other issues that may occur on the Ethereum Blockchain and/or impacts Ethereum or NFT functionality.

(i) Lil' Heroes cannot and does not represent or warrant that any Lil' Heroes NFT, or its supporting systems or technology, is reliable, current, or error-free, meets your requirements, or that defects in the Lil' Heroes NFT, or its supporting systems or technology, will be corrected.
